

## **New Norway School Supply List for Junior & Senior High**

Grade 7-10 students require a scientific calculator (not “graphing”)

Grade 11 and 12 will need a graphing calculator. TI-83 plus, TI-84 plus or TIInspire CX are recommended as help is available for these. For a full list of acceptable calculators, see Mrs. Shostak. As well, students must provide their own replacement batteries or charging cord, if applicable.

Grade 8 and 9’s will need ONE coil bound notebook that has between 100-200 pages and is at least 8 ½ by 11 in size (the size of a regular piece of paper), for Math.

Junior High and Senior High students are encouraged to have an agenda, to build life-long organizational skills. Students are also encouraged to have a composition book for journaling to promote reflection and wellness. The school will not provide them.

Junior and Senior High students also need to have an unabridged print version of a Webster or Oxford thesaurus and dictionary.

### **Please label your child’s supplies and clothing.**
